REVOLUTION APP

Let us show you the true value of your converter with our custom built Revolution App

Whether you're in business for yourself or part of a larger team, our revolution app is an essential tool to level the playing field.

REVOLUTION **BENEFITS**

- ✔ Get paid exactly what the App indicates, NOT on a range
- ✔ Simply submit a picture for a near instant assessment, with the "Live Assist" module
- ✔ Extensive catalytic converter database
- ✔ Quick and easy unit value assessment
- ✔ Accurately look up and track your purchases
- ✔ Detailed invoicing
- ✔ Price lock guarantee
- ✔ Secure features to protect data theft
- ✔ Multi level programmability

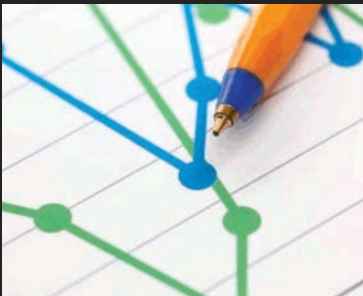

ASSAY SERVICES

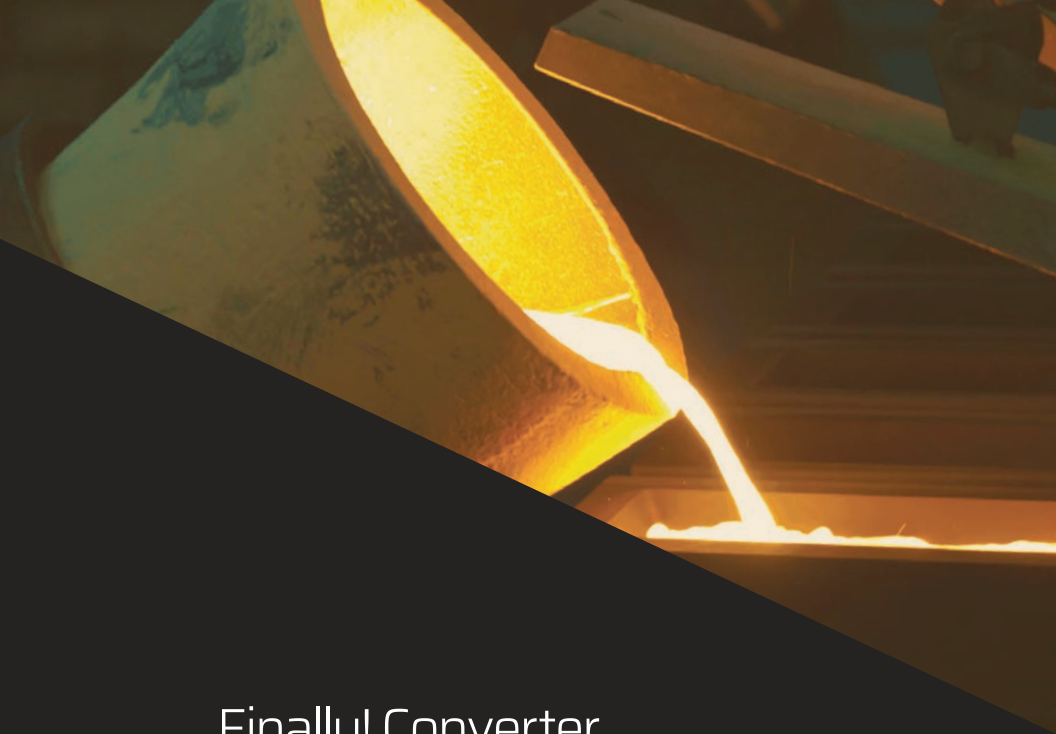

CCON Metals also specializes in loose material assay services: running lots as small as ten pounds, with no upper limit.

We offer exceptional refining terms that reflect current market prices with a highly competitive turn around time.

- ✓ An assay/refining provides the true value of your material
- ✓ State of the art lab grade equipment
- ✓ Accurate and precise representation of your material
- ✓ Completely transparent documentation
- ✓ Save on shipping and processing by selling local

Finally! Converter
buying made easy.
